

Vascular Program Requirements:

1. Graduate of an Accredited Program in Diagnostic Medical Sonography
2. Currently Registered by the American Registry of Diagnostic Medical Sonographers (ARDMS) and holds the Registered Diagnostic Medical Sonographer credential (RDMS)
3. Must have successfully passed the Sonography Principles and Instrumentation examination (SPI) for current admission

Steps for Applying:

- _____ 1. Complete Triton College Application
- _____ 2. Complete the Selective Admissions Application for Health Careers
- _____ 3. Completion of placement testing or waiver
- _____ 4. Forward all official transcripts to Triton College Records Department
- _____ 5. Provide selective admission documentation
 - a. Proof of successful completion of the SPI examination
 - b. Copy of ARDMS card
 - c. Employment verification letter on letterhead from employer when warranted

After transcript evaluation and verification, your application will be forwarded in the selective admission process. At this time, you will need to provide documentation that you currently hold the RDMS credential and have taken the SPI examination. Once all documentation has been received, your application will be put into the pool of eligible applicants. Eligible applicants will be considered on a point scale. This scale will be as follows:

More than one specialty credential: +1pt

Triton DMS Alumni: +1pt

Additional Point Criteria requiring further documentation:

Currently Working as a Diagnostic Medical Sonographer for 1-5 yrs*: +1pt

Currently Working as a Diagnostic Medical Sonographer for 6 or more yrs*: +2pts

Currently performing vascular examinations*: +1pt

*Employment verification letters will need to be submitted from the applicant explaining current position and duties performed to receive this credit. This documentation is to be sent on employer letterhead directly via email to tiffanyirby@triton.edu.
