STUDENT TRAINING PROGRAM AGREEMENT

THIS STUDENT TRAINING PROGRAM AGREEMENT (the "Agreement") is entered into between **SHRINERS HOSPITALS FOR CHILDREN** ("SHC"), a Colorado non-profit corporation, for and on behalf of itself and the CHICAGO Hospital ("Hospital"), which it owns and operates, and COMMUNITY COLLEGE DISTRICT 504, commonly known as **TRITON COLLEGE** ("SCHOOL"). SHC and SCHOOL are referred to herein individually as "Party" and collectively as "Parties."

WITNESSETH:

WHEREAS, SCHOOL desires to provide supervised clinical experience and instruction as part of the educational program for students enrolled in its Surgical Technician program(s) ("Program"); and

WHEREAS, SHC, consistent with its mission and in the interest of furthering the educational objectives of SCHOOL, desires to make its Hospital available to the students for such experience:

NOW, THEREFORE, in consideration of the following covenants, conditions, and agreements, the Parties hereby agree as follows:

1. <u>TRAINING EXPERIENCE</u>. In accordance with the terms of this Agreement, and as SHC deems reasonably appropriate, SHC shall accept Program students who are specified by SCHOOL for participation in a clinical training experience at the Hospital ("Training Experience"). The Parties agree to abide by laws prohibiting discrimination and sexual harassment in the selection, placement or evaluation of any student and the treatment of any staff member of either party.

2. <u>Responsibilities of SCHOOL</u>.

a. SCHOOL shall be responsible for the planning, implementation and operation of all educational aspects of the Program, including the requirements for matriculation, promotion, and graduation. SCHOOL acknowledges and agrees that the Training Experience is intended to meet certain educational performance objectives, and SCHOOL shall provide a copy of such performance objectives to SHC on or before student placement.

b. SCHOOL shall inform SHC of the name of the Program coordinator who shall remain in communication with the students and provide general supervision and direction of the students participating in the Training Experience. The Program coordinator shall routinely communicate with SHC regarding the specifics of the Program and the Training Experience and the progress of the students participating in the Training Experience.

c. SCHOOL shall submit to SHC, at least thirty (30) days prior to commencement of the Training Experience, a description of the types of Training Experiences needed; the dates during which such experiences will be needed; the number of students expected to participate in the Training Experience; and the names, professional credentials, and evidence of current licensure of the Program coordinator and any additional faculty who will supervise the students. The Parties shall then mutually agree upon the specifics of the Training Experience and number of students participating in the Training Experience.

d. SCHOOL assures SHC that its students are prepared to meet the performance objectives of the Training Experience at the Hospital. If applicable to Training Experience, SCHOOL certifies that it has trained each student in standard precautions and transmission of blood-borne pathogens and that each student has been trained in, and has practiced using, universal precautions.

e. SCHOOL shall inform all students participating in the Training Experience that they are required to comply with all relevant local, state, and federal laws; standards and guidelines of applicable accreditation bodies; and applicable rules and regulations, policies and procedures, standards of conduct and requirements of SHC.

f. SCHOOL shall require each student participating in the Training Experience at the Hospital to sign a Statement of Confidentiality in the form attached hereto as Exhibit A, which will be submitted to SHC prior to the start of the Training Experience.

g. SCHOOL shall inform all students participating in the Training Experience that they are required to wear the uniform approved by SHC and display their SHC identification badge while on SHC premises, unless otherwise directed by SHC.

h. SCHOOL shall provide SHC with documentation that each student is free from contagious disease and has satisfactorily completed an Immunization/Serology clearance, in accordance with current Centers for Disease Control guidelines for Health Care Workers, prior to his or her participation in the Training Experience.

i. SHC requires that all students satisfactorily complete a background check, consistent and in compliance with all applicable federal, state, and local requirements, that includes but is not limited to the following:

- i. Social Security Verification, if applicable;
- ii. Criminal Background Check (past 7 years);
- iii. Sexual Offender Registry;
- iv. OIG List of Excluded Individuals/Entities; and
- v. GSA List of Parties Excluded from Federal Programs.

SCHOOL shall ensure that all students participating in a Training Experience have a background check and drug screen completed within the 90-day period prior to the Training Experience. SHC shall not be responsible for any cost or expense associated with background check or drug screen.

Recognizing that students enrolled in the Program may participate in Training Experiences at multiple facilities, SHC agrees to accept the results of the background check and drug screen performed prior to the student's initial Training Experience if the student maintains continuous enrollment in the Program and if the results of the background check are archived by the background check agency, and the results of the drug screen either maintained by SCHOOL or verification of a clear drug screen is obtained by the SCHOOL directly from the drug screening vendor.

SCHOOL shall provide SHC with verification that each student has completed the background check and drug screen test with satisfactory results. If SCHOOL determines that a student has not completed the background check or drug screen test with satisfactory results, SCHOOL shall ensure that the student does not participate in a Training Experience with SHC.
3. <u>Responsibilities of SHC</u>.

a. SHC shall designate a clinical coordinator to cooperate with SCHOOL's Program coordinator regarding the specifics of the Program and the Training Experience and the supervision of the students participating in the Training Experience.

b. SHC shall provide an orientation for students participating in the Training Experience in respect to SHC's rules and regulations, policies and procedures and standards of conduct.

c. SHC agrees to provide to SCHOOL the necessary space or facilities for conference and classroom areas for student teaching as may be available.

d. To the extent that any first aid treatment is required in connection with an injury or illness incurred by a student during performance of his or her clinical training during a Training Experience, SHC shall provide treatment as appropriate. Such treatment shall be at the sole expense of the individual treated.

e. SCHOOL shall be solely responsible for the final evaluation and grading of students participating in the Training Experience. However, upon the request of SCHOOL, SHC may submit input to the Program coordinator evaluating and appropriately documenting the performance of each student in the Training Experience. SCHOOL shall remain solely responsible for the assignment of academic credit.

f. SHC may exclude any student at any time from any clinical area of the Hospital. Student shall be informed that he/she is required to leave promptly and without protest in the event that SHC asks a student to leave. SHC shall also have the right, at any time, to remove a student permanently from the Training Experience. Such removal by SHC shall not require compliance with any notice, hearing or other procedural requirements. Within 24 hours of removing a student, SHC shall provide written notice to the SCHOOL program coordinator.

g. SHC shall maintain sole responsibility and accountability for patient care during the term of this Agreement. Neither SCHOOL nor any student shall have any right or duty to control or direct patient care or operations at the Hospital. Neither SCHOOL nor any student shall have the right to interfere with or adversely affect the operation of SHC.

4. <u>TERM; TERMINATION</u>.

a. This Agreement shall become effective as of the date of the last signature hereto (the "Effective Date"). This Agreement shall have an initial term of one (1) year and shall automatically renew for subsequent Renewal Terms of one (1) year each, unless sooner terminated in accordance with the terms of this Agreement.

b. Except as otherwise provided herein, either Party may terminate this Agreement at any time without cause upon at least ninety (90) days' prior written notice, provided that all students participating in a Training Experience at the time of such notice of termination shall be given the opportunity to complete the current Training Experience.

5. <u>INSURANCE</u>

a. SCHOOL shall maintain for itself and its students professional liability and comprehensive general liability insurance or self-insurance coverage with limits of not less than Two Million Dollars (\$2,000,000) per occurrence and Five Million Dollars (\$5,000,000) annual aggregate. SCHOOL shall

provide to SHC copies of such certificates of insurance prior to the commencement of the Training Experience and agrees to notify SHC of any change of coverage or cancellation of coverage at least thirty (30) days in advance of the effective date of such modification or cancellation.

b. SHC agrees to maintain professional liability insurance and comprehensive general liability or self-insurance in the minimum amounts of \$2,000,000 per claim or occurrence, \$5,000,000 aggregate, for its employees. A certificate of insurance evidencing such insurance coverage shall be provided to SCHOOL upon written request and SHC shall notify SCHOOL of any change of coverage or cancellation of coverage at least thirty (30) days in advance of the effective date of such modification or cancellation.

6. <u>INDEMNIFICATION</u>.

a. To the extent permitted by applicable law, SCHOOL shall indemnify and hold harmless SHC and its directors, trustees, officers and employees from and against any and all claims, costs, and liabilities, including reasonable court costs and reasonable attorney fees, incurred by SHC as a result of actions brought against SHC arising out of or related to the acts or omissions of SCHOOL or its students participating under this Agreement, unless such act or omission was under the sole control and direction of SHC and except where such indemnification is prohibited by law.

b. SHC shall indemnify and hold harmless SCHOOL and its directors, trustees, officers, employees and students from and against any and all claims, costs, and liabilities, including reasonable court costs and reasonable attorney fees, incurred by SCHOOL as a result of actions brought against SCHOOL arising out of or related to the acts or omissions of SHC, unless such act or omission was under the sole control and direction of SCHOOL and except where such indemnification is prohibited by law.

c. Triton College, as an entity and on behalf of its employees, agents, and students, claims any and all governmental immunity as may be established by or set forth under Federal or Illinois law, rule or regulation

7. <u>CONFIDENTIALITY</u>.

a. **Confidentiality.** SCHOOL acknowledges that during the term of this Agreement, business of a confidential and proprietary nature belonging to SHC and Hospital ("Confidential Information") might be disclosed to SCHOOL and its students. SCHOOL and its students shall not, in any manner, directly or indirectly, use or disclose to any person or entity whatsoever, any of such Confidential Information except as otherwise required by law. Upon the expiration or termination of this Agreement by either party and for any reason, SCHOOL shall, and SCHOOL shall cause its students to, immediately return to SHC any and all Confidential Information, including without limitation any originals or copies of policies, procedures, and patient medical records in the SCHOOL's or any student's possession or control. The terms of this Agreement shall be considered Confidential Information and shall not be disclosed to any third party, except as required by law, without the express written consent of SHC. SCHOOL agrees, and shall inform its students participating under this Agreement that they are required, to keep confidential all information of SHC and not disclose or reveal any such information to any third party without the express prior written consent of SHC.

b. **Medical Records.** Patient medical records created and maintained at the Hospital are the sole and exclusive property of SHC. SCHOOL shall inform any SCHOOL faculty or students participating in a Training Experience that they are required to abide by SHC policies and procedures concerning the completion and handling of medical records. SCHOOL agrees to preserve the confidentiality of all patient medical records in accordance with state and federal law and to use the information in such records only as necessary to perform the obligations under this Agreement.

The scope of any program, experience or assignment will be arranged and specified in writing as a program memorandum ("Program Memorandum") prior to implementation. Such Program Memorandum shall become a part of this Agreement. Agreed changes to the scope of any program, experience, or assignment will be set forth from time to time in a written Program Memoranda, which will become part of this Agreement, and shall be signed by the authorized agents of the Parties.

2. <u>Student Screening and SCHOOL's Provision of Student Information to HOSPITAL</u>

a) SCHOOL shall inform Students of the obligations to provide HOSPITAL with evidence of student's name, social security number, date and hours of assignment, health insurance coverage, a health status report including evidence of required immunizations, tests and titers, and evidence of class or lecture on infection control/blood borne pathogens/universal precautions for each student enrolled in any affiliated program. - (b) The Subscriber shall only use the Software for its own internal purposes. The subscriber may not sell, rent, lease, sub-license, assign, or otherwise transfer the Software, or use the Software for commercial time-sharing, outsourcing, or service bureau use.
- (c) The Subscriber shall not decompile, disassemble or reverse engineer the Software.

1.6. Confidentiality and Warranties

- (a) The Software contains information and trade secrets proprietary to the Company. The Subscriber agrees to use all reasonable efforts to ensure that persons under the Subscriber's direction and control abide by the terms and conditions of this Agreement. These confidentiality provisions shall not in any way be construed to limit or restrict in any way the Subscriber's obligations under any law, rule, or regulation that requires the disclosure of documents, information, or any such information that Subscriber may possess as a result of this Agreement. In the event the Subscriber becomes aware that the Software is being used by such persons in a manner not authorized by this Agreement, the Subscriber shall immediately take all reasonable steps to have such unauthorized use of the Software immediately cease and shall promptly notify the Company in writing of the unauthorized use.

Access to any Research Data will be restricted to only those individuals directly involved in research supporting or related to Company's programs, products and/or services.

1.7. Indemnification

The Company will defend any action brought against the Subscriber to the extent that it is based upon a claim that the Software used within the scope of this Agreement infringes upon an intellectual property right. The Company will pay all costs attributable to such claim against the Subscriber, providing that the Subscriber promptly notifies the Company in writing of the claim or notice of claim, and that the Company has complete control of the defense and/or settlement of such claim. If any Software is adjudged to so infringe, or in the Company's opinion is likely to become the subject of such a claim, the Company shall, at its option: (i) procure for the Subscriber the right to continue using the Software, (ii) modify or replace the Software to make it non-infringing, or (iii) refund the Purchase Price as specified in section 4.1 (Limitation of Liability). The Company shall have no liability regarding any claim arising out of: (i) use of other than a current, unaltered release of the Software unless the infringing portion is also in the then current, unaltered release, (ii) use of the Software in combination with non-Company software or equipment, unless the software or equipment was recommended or approved by the Company, if the infringement was caused by such combination, (iii) any modification or derivation of the Software not specifically authorized in writing by the Company, or (iv) use of third party software not expressly contemplated for use with the Software or otherwise authorized by the Company.

- (a) Except as otherwise specified on an Order Form, at the end of any subscription term the Services shall be automatically renewed for a further subscription term of twelve (12) months unless one party has given notice to the other of such party's intent not to renew, within thirty (30) days before the end of the then existing term. Each subscription renewal term shall operate under the terms and conditions of the immediately preceding term, except that (i) subscription fees shall be increased by up to 7% per year of the preceding term, and (ii) the Company may notify the Subscriber thirty (30) days prior to the expiry of the then existing subscription term of any additional changes to the subscription fees or to the terms and conditions applicable to the renewal term. Except as specified on an Order Form, renewal of promotional or one-time priced Services will be at the Company's list price at the time of the renewal.
- (b) Either party may terminate the subscription and support provisions for the Software, upon sixty (60) days prior written notice, if any of the following events of default occur and are not remedied within said sixty (60) day period: (i) the other party materially fails to perform or comply with this Agreement or any provision hereof including without limitation payment of any due amount as and when due, (ii) the other party fails to comply with the provisions of this Agreement concerning Limitations on Use (section 1.5) or Confidentiality (section 1.6), (iii) the other party becomes insolvent or admits in writing its inability to pay its debts as they mature, or makes an assignment for the benefit of creditors, (iv) a petition under any foreign, state, provincial or Canada/United States bankruptcy act, receivership statute or the like, is filed by the other party, or (v) an application for a receiver is made by anyone and such petition or application is not resolved favorably within sixty (60) days.
- (c) Effect of Termination
 - Pay Outstanding Amounts. If this Agreement is terminated, Subscriber will pay any unpaid fees covering the remainder of the term of all Order Forms to the extent permitted by applicable law. In no event will termination relieve Subscriber of its obligation to pay any fees payable to Company for the period prior to the effective date of termination.
 - ii) Discontinuance of Use. Subscriber shall maintain the right to continue to use the Service following termination until the conclusion of the term for which payment has been received.
 - iii) Recovery of Data. Upon request by Subscriber made within 30 days after the effective date of termination or expiration of this Agreement, the Company will make Subscriber data available to the Subscriber for export or download. Modification or use of the Company's content in any prohibited way is a violation of copyright and other proprietary laws. No one may copy or create derivative works from the Services without prior express authorization by the Company.

- (a) The Subscriber and the Company hereby irrevocably submit themselves solely to the law of the State of Illinois and courts of the Circuit Court of Cook County. This Agreement will not be governed by the United Nations Convention on Contracts for the International Sale of Goods, the application of which is expressly excluded.
- (b) The Company may identify Subscriber in a client list as a customer for the Services provided by the Company, provided, however, that such client list will not unduly emphasize Subscriber nor expressly or implicitly state that the Subscriber is endorsing the Company, the Services or any of the Company's personnel. - (f) If either party shall be delayed or prevented from performing under this Agreement, due to any cause beyond its reasonable control ("force majeure"), any such delay shall be excused during the continuance of the cause of delay, and the period of performance shall be extended to such extent as may be necessary to enable the affected party to perform after the cause of delay has ended; provided that such party gives to the other prompt written notice of such cause as soon as practicable after its occurrence. Both parties will use reasonable efforts to mitigate the effect of a force majeure event.
- (g) Neither party shall assign, sub-license, extend or otherwise transfer, in whole or in part, this Agreement or any Service granted hereunder, without the prior written consent of the other party.
- (h) This Agreement may be executed in counterparts. When each party has signed and delivered at least one counterpart, each counterpart shall be deemed an original, and when taken together with other signed counterparts, shall constitute one Agreement, which shall be binding on all parties.
- (i) Both parties agree that they shall not during the term of any Services or any renewal thereof, or for a period of twelve months after termination of the same, knowingly employ, retain or engage any employee of the other party without the other party's consent, which shall not be unreasonably denied or withheld.

No amendment to this Agreement shall be valid and binding on either party unless agreed to in writing and signed by the duly authorized representative of each party. This Agreement may not be released, modified or assigned except by an instrument in writing signed by a duly authorized representative of each of the parties.
