

**NOTE: Triton College is not a medical facility or a controlled access facility. Triton College is on par with cleaning as your local grocery store in the middle of the day.**

**Specific to GLoW:**

To help with safety on the topic of Covid-19, the additional SHOP RULES are as follows:

1. Your personal face mask is required to be on at all times, in the buildings and in any of our classrooms. *No face masks will be provided.*
2. Personal PPE's required in our welding labs provided by the school will be:
  - a. Safety glasses, face shields, and one pair of work gloves (*the girls keep these*)
  - b. Welding gloves, welding mask, welding jackets  
  
*(these are on loan for the week and cannot be kept by the girls)*
3. Social distancing required in spaces and hallways (6' apart).
4. No sharing of welding booths.
5. Shared use equipment, from various shop tools, manual or power tools, to vices and clamps, will not be cleaned between students using them during lab time.
6. One person per table.
7. No gathering around in the hallways or rest areas.
